Dear Fellow Republican Woman,

This Independence Day was a wonderful time to reflect on the blessings of liberty, families, and our amazing country. And what better occasion to introduce you to my husband Ty Masterson? Ty is a candidate for State Senate in our Senate District 16. He has worked hard and has been an effective State Representative since 2005.

The values and lifestyle of Butler and Greenwood Counties are the core of who he is. You see, he was born at Susan B. Allen Hospital in El Dorado; he attended Oil Hill School in the Towanda area, grew up in rural El Dorado, and graduated from Augusta High School. His parents still live in rural El Dorado and attend church there, and he has extended family throughout this Senate district. In fact, his grandfather and uncle were both pastors in the Severy area.

Ty is an upright, strong man of character; he's the kind of man with the kind of convictions that we need in the State Senate to represent our families. Without compromising his beliefs, I have watched him again and again winsomely engage others and build coalitions to accomplish amazing things in Topeka. His colleagues respect his ability to communicate and his strong work ethic, and they are willing to listen to his ideas. He is a strong voice who represents our interests, family values, small businesses, and other important issues unique to Butler and Greenwood Counties.

Ty and I have been happily married for fourteen years; the Lord has blessed us with six beautiful children. Ty is a loving, compassionate father and husband. He balances the demands and joys of family, public service, and work with a cheerful and purposeful spirit. His children and I are so proud of him! With his homegrown values, I know he would be proud and honored to serve this great district. It's our district, full of our family and friends. He would love to be your voice in Topeka.

We have been overwhelmed and humbled by your prayers and support. Please keep them coming, and please join me in voting for Ty on August 5th.

Sincerely,

Marlo Masterson
